<u>Size</u>	<u>Red oak</u>	<u>Maple or Birch</u>	<u>Dimensions</u>

<i>Long Twin</i>	1,805	1,900	44" w x 85" l

<i>Queen</i>	2,305	2,425	65" w x 85" l

Each loft bed is freestanding, made-to-order and crafted from 1" thick solid hardwood. Ladders, guardrails and platform are included in the base price of the bed. The above prices are for lofts with 6' legs (suitable for 8' ceilings.) For a loft with 7' legs, suitable for 9' ceilings, add \$60.00. Ladders come with four steps and measure 20" out from the bed. The ladder opening may be placed in a variety of locations.

We recommend that you don't use any mattress thicker than 8 inches. Our *Night Whisper* innerspring and our *Crown Royal* foam mattresses both work well for this bed.
