Our *Classic Sleigh Bed* is the perfect complement to our *New American Classic* dressers and chests. The bed is shown here with a 13" thick mattress placed so as to be 23" to its top, maintaining a 19" reveal in the 42" tall headboard. This mattress to headboard proportion, as well as the relationship to the 27" tall footboard, is what we feel looks best. We can accommodate thinner mattresses by lowering the headboard and footboard, or thicker mattresses by lowering the platform on which the mattress sits. You need to tell us the thickness of your mattress (or mattress and box spring combination) and how high you want the top of your mattress. We will maintain the 19" reveal. If the headboard needs to be raised to achieve this there will be a \$125 custom fee.
