

Desks & Lateral Files

All file-size drawers are set up with file-hanging apparatus and run on metal glides. Any pencil drawer may be traded for a computer keyboard tray. Casegoods generally do not have finished backs unless specifically noted: * the **Small Craftsman** and **Little Corner** desks have finished, solid, *Craftsman* style backs The **Classic Jefferson Desk** includes a finished solid-raised panel back. Legal lateral file cabinets are 2" deeper than letter cabinets.
